

ENERGY RESEARCH AND
DEVELOPMENT ADMINISTRATION

Office of
Program Coordination

August 26, 1976

Martin Minthorn, BER/BP

Thank you for your memo re Indalo. I'm
delighted to see that LLL will establish an
account and accommodate needs for early FY 77.
Be assured that your activity will be covered
in the FY 77 plan to the laboratory.

Regarding your comments concerning
recategorization, I don't believe the dollar
level is sufficient enough to cause any concern.
